

YOU DO HAVE A CHOICE

We offer all of these benefits, as do others!

- Recognized by ICC-ES, Dade County, State of Florida, LA City, DSA, NY City & TDI.
- Over 50 years of experience designing, engineering, and manufacturing connectors.
- Dedicated staff of technical representatives covering all 50 states.
- Effective point of sale merchandising.
- National Distribution facilities.
- In-house professional engineering.
- Complete EWP connector line recognized by all ten North American I-joist manufacturers.
- Complete line of truss connectors.
- Training programs for architects, engineers, building officials, and store personnel.
- In-house full scale product testing.

But Only USP Offers...

- Your choice of distribution methods including your coop or buying group.
- Opportunities for increased margins with our competitive pricing.
- Increased turns with low pre-paid qualifiers.
- No minimum orders.
